**YWCA Family
Center**

Altrusans will make a difference in the lives of people who are staying at the YWCA Family Center by reading books to children, playing games with them, and letting them select books to keep. We entertain the children, who must be accompanied by a parent, while they are waiting to eat dinner, or just after they have had their turn to eat dinner.

Residents can earn credit in the YWCA store to buy personal care items and items for their future home. Altrusans can bring items to stock the pantry to the October meeting if they will not be at the Make a Difference Day activity.

Altrusans across the country participate in Make a Difference Day literacy activities combining their efforts to make an impact! Altrusa has won the USA Today national award for MADD involvement.
